Treasurer

Re: The John M. Eargle Memorial
Scholarship Fund

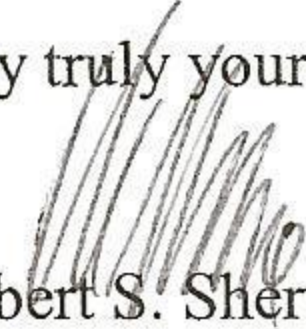

Thank you for the generous contribution of \$3,500 to the Foundation's John M. Eargle Memorial Scholarship Fund. It will help to continue our funding of scholarship grants to qualified students in the audio engineering field.

You may be interested in knowing that since its start in 1984, the Foundation has made 181 grants to 130 participants; in 2007, grants were made to students from India, Brazil, Taiwan, Canada and the U.S.

Your participation is greatly appreciated.

As required by current IRS regulations, this letter is your official receipt for tax purposes. We confirm that the AES Educational Foundation (a 501(c)3 corporation) provided neither goods nor services in exchange for this contribution.

Very truly yours,

Robert S. Sherwood
Treasurer
